2017 Sponsorship HRAM Program

HRAM is the premiere organization for human resource professionals in the Omaha metropolitan area. The organization provides educational, developmental and professional interactive forums to serve the needs of its members and the community. HRAM has over 1,100 members and is a local affiliate of the Society for Human Resource Management (SHRM).

By sponsoring one of our five programs – which includes a keynote speaker and afternoon technical session focused on current topics and issues affecting human resource management – your company or organization can achieve prominent exposure to our broad membership.
